Customer Data Privacy Notice

This notice explains what data we hold about you, our customers, and your rights under the General Data Protection Regulation (GDPR). Our staff and volunteers are covered by a separate notice.

Third parties

The following organisations process data on our behalf:

1. TicketSource administers our bookings. This notice does not describe all the data processing carried out by TicketSource. However, TicketSource's contact details are listed below, and, if you book online, you will see its privacy policy below this notice.
2. Our newsletter emails are administered using the Rocket Science Group Mailchimp service. The group is based in the US but has certified compliance with the EU/US Privacy Shield framework.
3. If you purchase tickets at Wallace Arnold, they enter your contact details, whether you wish to receive our newsletter emails, and booking details on TicketSource. They do not retain any of your data.
4. We use 1and1 Internet Ltd (GB) as an email server provider.

We do not share your data with any other party.

Your data

Within our systems we may hold your name, title, address, phone number, email ID, booking history, mailing preference, IP address, requests by email and requests by website enquiry form.

We use your data for the following purposes:

- To contact you regarding bookings, for example if a film is cancelled or to return lost property.
- To answer any queries you raise with us.
- To send you our newsletter, if you have consented to this.

We have three legal bases for holding your data:

- Contract: You enter into a contract with us when you purchase tickets.
- Consent: We send you our newsletter, only if you have consented.
- Consent: We process website enquiry form content, only if you have consented.

'Personal data' are any information that can be related to an individual. For example, if we hold your booking data with your name, then both your booking data and your name are personal data. However, booking data that cannot be related to an individual are not personal data.

We manage your personal data as follows:

- We maintain the data as accurately and up-to-date as possible.
- We delete the data when no longer required. TicketSource contact details are deleted after you have not made a booking for two years. Subscribers to our email newsletter are deleted after they have not opened the emails for a year. Website enquiry forms and emails are deleted after no more than two years.
- We sometimes need to download the data to personal computer, but it will always be encrypted, never backed-up to the cloud and only held as long as necessary.

Your rights under the GDPR

You have the following rights with regard to your personal data:

- To request a copy of the data we hold about you.
- To request that we correct data that is inaccurate or out of date.
- To request your data is erased when it is no longer necessary for us to retain it.
- To withdraw your consent to receive mailshots.
- To lodge a complaint with the Information Commissioners Office (ICO).
