

Arts Bar Role Description

Duties and Responsibilities You will perform an important role as the public face of the Save the David Lean Cinema Campaign before a film screening, ensuring that our customers have an enjoyable and positive experience. Our volunteers are vital in enabling films to be shown at the David Lean Cinema.

- Preparing the arts bar and equipment ready for service
- Welcoming patrons in the arts bar area
- Serving drinks and snacks
- Taking payment and recording sales
- Being aware of hygiene requirements and care of equipment
- Clearing away when patrons have gone into the cinema
- Being vigilant at all times, with regard to the safety and security of customers, colleagues and yourself and reporting problems quickly and clearly

Time Commitment Opportunities for the arts bar exist during afternoon and evening screenings as per the film programme. Film times are usually 2.30pm or 7.30pm. Volunteer arts bar staff should arrive by 01.15pm or 6.15pm at the latest to set up and be ready to serve one hour before film starts. Once the patrons go into the film you will do all the necessary clearing away and storing of equipment.

Desirable Qualities Experience of working with the public, experience in food service and an interest in film are useful. You need to be reliable, punctual, friendly and polite. Volunteers must wear an identifying David Lean t-shirt.

Arts bar volunteers will be given training which will cover all necessary information relating to the role. New volunteers shadow the role with an experienced volunteer during their initial shifts.

How does it work?

Our Volunteer Co-ordinators ask volunteers for their availability on a monthly basis and most do 1 or 2 sessions a month. Sometimes a volunteer is unable to come for their duty for a variety of reasons and then the person doing the monthly schedule will contact others who were available and ask if they could fill in.
